

The TMGA and TWGA welcome you!

The Terravita Golf Club encourages and supports organized weekly play for all golf members from November through April. The two excellent, organized golf associations include the Terravita Men's Golf Association (TMGA) and the Terravita Women's Golf Association (TWGA). The TWGA offers both 9 and 18 hole groups. All associations promote fellowship and camaraderie among members. A brief explanation of each association follows:

TMGA

All handicap levels are eligible to play in Wednesday weekly events. Events are team-oriented and arranged in flights by handicap in an 18-hole format. A social event follows each weekly play. In order to participate, a member can sign up online at least 48 hours prior to the event. The golf shop staff assigns pairings and tee assignments. Seasonal membership dues are \$85, or \$70 if prepaid prior to October 1st. A weekly \$10 event fee will be charged to the accounts of those who participate during the weeks they choose to play.

TWGA, 18-hole "Cactus Gems"

For those women who like to play 18 holes of golf and have a handicap of 40 or less, the Cactus Gems offer weekly games that are team oriented and handicapped. Organized social and tournament events are planned on Thursdays throughout the season. Participation requires signing up online. The golf shop staff prepares the pairings and tee assignments. Seasonal membership dues are \$50. A weekly \$5 event fee will be charged to those who participate during the weeks they choose to play.

TWGA, Nine-hole "Diamonds in the Rough"

All handicap levels are eligible to play in Thursday nine hole weekly events. Organized social and tournament events are planned throughout the season including special events for couples. Participation requires signing up online. The golf shop staff prepares the pairings and tee assignments. Seasonal membership dues are \$50.

In addition to planned weekly events, all three associations participate in organized Northeast Valley inter-league play.
